Sub: MID-YEAR BUDGET REVIEW REPORT FOR THE FINANCIAL YEAR 2008-2009

Sir,

The Royal government, while noting the concerns on low expenditures and huge budget surrender back to the government, agreed that all the ministries could study the report carefully and also consult with the dealing officials to find out reasons for delays in implementation of works and therefore such huge budget surrenders. All Ministries should then work towards streamlining and expediting the process for timely implementation of the works in future.

This directive has reference to the 35th Session of the Lhengye Zhungtshog Meeting held on 25th March 2009.

Kind regards,

Yours sincerely,

(Tashi Phuntsog)
